R B SUPERBOMBER 30th -- A four-year-old proven sire by the State Fair Champion, R B Collynie Supreme that was exported to Australia. His grandsire, Collynie Front Rank, was twice Nebraska State Fair grand champion bull and his dam, Divide Joan 11th is by the \$5,000 Divide Prince Peter. We have three very good calf crops by this bull and another one on the way. For that reason we can spare him at this time, and can recommend him as a consistent sire of good-headed, rugged, smooth, solid color calves.

NEBRASKA SHORTHORNS AND POLLED SHORTHORNS
WILL DO THEIR PART — IF YOU WILL DO YOURS

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

Memo

Please Bring this Catalog with You!

NEBRASKA'S SHOW WINDOW EVENT

When you can bring the top cattle from 35 of the top Shorthorn and Polled Shorthorn herds in a great beef producing state like Nebraska together for two big sales, you are certain to have the kind of bulls and females that can work further improvement in quality, type and conformation in the best purebred and commercial herds in the country.

That's the story of these big two-day events which will be held at Columbus, Nebraska on December 7th and 8th.

Included are some state fair champions as well as the complete dispersion of two of the top small herds in Nebraska.

I would also like to call attention to the dispersion of the Clyde H. Ham Estate Polled Shorthorn herd at York, Nebraska on Tuesday, December 6th. All in all, here's over 200 head of top Shorthorn and Polled Shorthorns that will be offered in a three-day series, all closely and conveniently located.

When it comes right down to it, it's a proven fact that you can't beat Shorthorns and Polled Shorthorns for making beef the fastest and the most economical on Midwest farms and ranches. The quality route always pays off, and that's why we would like to take this opportunity of extending a special invitation to cattlemen everywhere to attend these three big sales.
